

AB0302 King Lounger

The King Lounger is a commercial lounger that is 88" wide, fits 3-4 adults, and sits firmly on the water. The unit is designed to fit any of AquaBanas standard connection modules, or it can be placed on the beach as well as float freely on the water. Talk about versatility! You can adjust the pressure for absolute comfort on this incredibly strong and stable inflatable.

- Hot air welded construction vs glued for best in class durability
- Ergonomic relaxed design for all day comfort
- 4 handles for easy positioning
- Anchoring and mooring points underneath
- Standardized connections offers unlimited modularity and customization
