The Bounce Bana™ is popular because it's easy to board using the dual-side reboarding ladders and offers a fun, bouncy experience. Additionally, you can enhance it with an optional shade tent, creating the perfect spot to relax and enjoy your time on the water.

- 0.9mm PVC welded construction
- Consumer-friendly design allows everyone to get on board
- Reboarding ladders from both sides with attached zippered weight bag for easy quick-step access
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction vs glued for best in class durability
- Lashing points
