AquaBanas excels at manufacturing high quality ocean pools for yachts of all sizes. Here is our easy to deploy 450 x 550cm Pool Bana with removable netting (177" x 217" x 94" with netting). The super durable construction consists of 20cm drop stitch thick material and features 70cm walkways on 3 sides and a 120cm deck on the end (8" thick, 28" walkways, 47" deck). The Pool Bana comes with standard Bana connections on 4 sides that allow you to add a Party Bana as well as park a PWC next to it.

- BanaGrip™ non-slip surface
- Removable jellyfish netting with netted bags (sea weights for bags are included)
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction -Best in class durability
- Anchoring and mooring points underneath
- 4x standardized connections offers unlimited modularity and customization
- Floating Quick Step sold separately
