

AB0117
BT212-4
Optional Bar Bana or Land Based Event Tent

The BT212-4 Bana Tent is a great event tent that will get noticed. Measuring 84" tall at the center and under each arch, it is high enough for traffic to flow through, and at the same time is low enough to block some sun and create shade.

- Hot air welded construction vs glued for best in class durability
- #316 marine grade stainless steel D-Rings
- Removable 0.6mm PVC tent top with hook n loop
- Internal center loop for light or speaker
- Dual inflation valves
- Pressure relief valve to prevent accidental over-inflation.
