Couch Bana™ Water System

Deck, Couch, Tent and Table

The Couch Bana Water System is the ultimate luxury floating couch which easily connects to any AquaBanas resort system. It is ultra strong and holds 12 guests comfortably. With the included BT212-1 Bana Tent and the 60" diameter table you have great shade and a nice place for beverages, food and other items. This system can be used on land without the deck and there are multiple strong anchor points around the system to secure it during outdoor land events.

- BanaGrip™ non-slip surface
- Ballast bags for unrivaled stability on the deck
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded vs glued construction for best in class durability
- Multiple anchoring and mooring points
- Standardized connections offer unlimited modularity and customization
