

AB0536 Dance Bana™

Get the party started with the world's first Inflatable Floating Dance pole! The AquaBanas Dance Bana comfortably supports over 2000 pounds of weight and is incredibly stable on the water. Put the pole in either a locked or spinning position to fit the needs of the crowd. The Dance Bana easily connects to additional AquaBanas decks to create your own dance club on the water! Great for poolside events and can be used on land!

- BanaGrip™ non-slip surface
- Ballast bags for unrivaled stability
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction vs glued for best in class durability
- Anchoring and mooring points underneath
- Standardized connections offer unlimited modularity and customization
- Dance Pole system with deck cover and anchor system
- All metal must be thoroughly cleaned and dried if used in salt water

PATENT PENDING
